

PAIN KILLER (E)

Guitar

Capo 2 (D)

Sax Intro D G A A (2x)

Verse 1

Don't need no whiskey when I've had a bad day
No prescription honey when my skies are grey
No poppin' the pills, no smokin a pill to make me feel ok
You go down easy baby, I could drink you by the case

Chorus

You're my pain killer

A little dose of you goes a long long way

You're my pain killer

Oh you take it away, you take it away

Verse 2

Don't need no fixin' I don't need no therapy

You're love drunk kissin' is my kinda remedy

You're always lookin' to fall

You're like the hair of the dog when I'm feelin cursed

I don't need no doctor honey I don't need no nurse

Chorus

You're my pain killer

A little dose of you goes a long long way

You're my pain killer

Oh you take it away, you take it away

Oh you take it away, you take it away
