Verse 1

Every time I think of you
I get a shot right through with a bolt of blue
It's no problem of mine, but it's a problem I find
Livin' a life that I can't leave behind

Verse 2

There's no sense in telling me
The wisdom of the fool won't set you free
But that's the way that it goes and it's what nobody knows
Every day my confusion grows

Chorus (long strums)

Every time I see you falling
I get down on my knees and pray
I'm waiting for that final moment
You say the words that I can't say

Rhythm in

I feel fine and I feel good
I'm feeling like I never should
Whenever I get this way, I just don't know what to say
Why can't we be like we were yesterday?

I'm not sure what this could mean
I don't think you're what you seem

I do admit to myself that if I hurt someone else
Then I'll never see just what we're meant to be

Chorus (scratch)

Every time I see you falling
I get down on my knees and pray
I'm waiting for that final moment
You say the words that I can't say

Rhythm in

I feel fine and I feel good
I'm feeling like I never should
Whenever I get this way, I just don't know what to say
Why can't we be like we were yesterday?

I'm not sure what this could mean
I don't think you're what you seem
I do admit to myself that if I hurt someone else
Then I'll never see just what we're meant to be

Outro

Say the words that I can't say
Say the words that I can't say
Say the words that I can't say
Say the words that I can't say

Say the words that I can't say
Say the words that I can't say
Say the words that I can't say
Say the words that I can't say
